

Save space on your truck and time on the job with Honeywell's PopUP Media Replacement Filters. If you've ever had to assemble collapsible replacement filters, you'll appreciate the convenience and time savings of the PopUP filter. Simply remove the filter from its package and watch it pop-up into finished form, ready to use. No tedious assembly and no bulky

storage - you can store up to five PopUP filters on your truck in the same space you used to store just one. And because of their condensed size, you can ship PopUP filters directly to homeowners for easy replacement filter sales opportunities.

PopUP™ Media Replacement Filter

MORE FILTERS. LESS HASSLE.

No Assembly Required — No combs, pleat spacers or end caps. Filters literally pop-up ready to use, saving you time on the job.

Application Flexibility - Available in six universal sizes that fit Honeywell models and other brands.

Highly Efficient - Rated at MERV 11 efficiency.

Collapsible Design - Less chance of damage to filter.

Homeowner Friendly - Self-assembly feature helps generate easy replacement sales.

Extra Filtration - Unique design offers an additional 1" of filtration depth compared to standard cartridge replacement filters.

Extra Storage- Store up to five filters in the same space you used to store just one.

Even Easier Than 1, 2, 3

We can't even say that PopUP filters are as easy as 1, 2, 3 because they assemble in just one step. Just open the package and - pop - the filter is ready to use.

Part Numbers	Sizes
POPUP1620	16 x 20
